May 11th - May 18th

Upcoming School Schedule There is a three hour early out on Friday, May 25th for PLC meetings. There is no school on Monday, May 28th due to Memorial Day. School will dismiss 3 hours early on Friday, June 1st which is the final day of school.

SAS (Study After School) is an opportunity for your student to get caught up on missing work, incomplete work, or failing work. When the school calls you to let you know that your student has been recommended for SAS, this is not intended to be a punishment to your student, but an opportunity to help them. Please keep in mind that if your student can not attend or they do not want to attend, it is not required. Also, please visit with your student if you have been given a call and let them know that you have chosen for them to stay and get some assistance. If you have any questions regarding SAS, please give the school a call. Thank you for your help and understanding.

Library Books With the end of the year approaching, please try to keep track of those library books and begin to locate ones that are overdue or misplaced. We are asking for your cooperation in seeing that all library books are returned to the library **no later than Friday, May 25th**. We begin our library inventory process at that time and we really need all the books accounted for when that process begins.

Locks of Love Relay for Life is looking for volunteers to donate their hair to Locks of Love. The donation will take place at the Relay for Life event on May 18th at 10:30 pm. They need to be cutting at least 10 inches of hair in order to donate it. For more information or to sign up, please contact Maggie Raske at 507-995-5719.

HyVee Receipts HyVee receipts are due by the end of the year. Reminder that the receipts must be dated between September 2011 and June 2012 and can only be from the Mankato stores.
